About Me

My name is Dalin Bac: a User Experience Designer based in Ottawa, Canada. I'm a lifelong learner who is enthusiastic about any new opportunities that arise in my life. Challenges are adventures worth taking.

My Vision and Mission

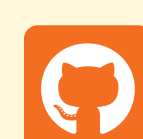

My mission is to contribute to the creation of accessible design and spread awareness on how important accessibility is in the design process.

My vision is to become a renown User Experience Designer who specialize in accessibility and create user centred design that is inclusive and innovative.
